SPONSORSHIP

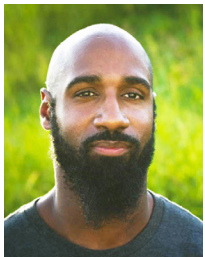

Join us as a sponsor.

The Brain Injury Association of South Carolina (BIASC) and the South Carolina Brain Injury Leadership Council (SCBILC) are extending an invitation for you to collaborate with us at the 2024 Life with Brain Injury Conference. This annual statewide event serves as a crucial platform for professionals, individuals with brain injuries, family members, caregivers, and other stakeholders to come together to exchange information, resources, and best practices in brain injury rehabilitation and services.

We welcome your partnership in making this event a success and look forward to the opportunity to collaborate with you and showcase your organization's dedication to this important cause.

Meet the Keynote

Eric Washington, Advocate, Survivor

Eric Washington will share his powerful story of overcoming a traumatic brain injury and the steps he took to embrace life following the injury. His objective is to ensure people that they are not alone in their journey and to inspire them to

continue fighting even when progress is not evident. Eric is a Lived-Experience Faculty Expert for the National Center on Advancing Person-Centered Practices and Systems (NCAPPS) Brain Injury Learning Collaborative.

About BIASC

BIASC is the only statewide organization dedicated to serving those impacted by brain injury in South Carolina. As a 501(c)(3) non-profit organization, we offer a wide range of services, including prevention programs, educational resources, and support services to those facing daily challenges after a brain injury. Our dedication and expertise help guide survivors, their families, and caregivers toward a brighter future.

About SCBILC

The South Carolina Brain Injury Leadership Council is the statewide advisory council for brain injury and has been designated to provide statewide coordination in promoting support services to persons with brain injuries, their families, and caregivers, and to identify emerging issues and innovations, foster education and advocacy, and build consensus to support necessary policies and programs.
